Dear Sir:

Thank you for the thorough examination of my application, particularly the details of construct to comply with your regulations/laws. Enclosed you will find a far more satisfactory presentation of my concept. I have included two separate print outs of pages containing amendments, that you may select that which more apply meets editing protocol.

My daughters and I are anxious to begin marketing these innovative painting/coating brushes to reduce strain and fatigue for users, but we hesitate to expend effort and funds before we are certain that my patent issues. If there be any further actions needed to explain our unique and practical utility, then certainly I will respond immediately. Your expedient attention to this is greatly appreciated. Thank you.

Sincerely,
